2020: A Year of Milestones

50 YEARS OF SERVING SENIORS

This year, we celebrate half a century of service. Founded in 1970 as a senior lunch program, Serving Seniors has grown from its humble beginnings into a robust, nationally recognized organization changing the lives of thousands of seniors every year. From meals to health and social services to housing and enrichment, we have consistently expanded our mission and our reach to ensure that all seniors, regardless of income, are able to lead happy, healthy, and purposeful lives. We thank each of you for your contributions to Serving Seniors' success.

25 YEARS OF VISIONARY LEADERSHIP PAUL DOWNEY, PRESIDENT & CEO

Over the past 25 years, Paul Downey has transformed Serving Seniors into San Diego County's largest provider of senior meals and a leader in affordable senior housing. Thanks to his visionary leadership and platform as a national expert in aging issues, Serving Seniors is a gold standard for providing a broad array of wraparound services to vulnerable seniors under one roof. We salute Paul and thank him for 25 years of leadership, commitment, and service.

10 YEARS OF GENEROSITY GARY AND MARY WEST

Ten years ago, two people with extraordinary compassion for seniors made a momentous gift. From their generosity, our flagship facility – The Gary and Mary West Senior Wellness Center – was born. A decade later, that center continues to uplift the lives of seniors 365 days a year, while advancing a best-practice model that is inspiring others across the nation to follow suit. We gratefully acknowledge Gary and Mary West for their generosity, partnership, and belief in Serving Seniors, ten years ago and every day since.
